

AVALANCHE ELITE™

Two-Piece Toilet

Looks Beautiful - Performs Beautifully.

The two-piece design features a low maintenance simple concealed trapway and a sleek, upscale look that fits any décor. Perfect for renovations and remodeling, the **XL** footprint covers old residue and makes installation easy. A powerful and reliable flushing machine, the Avalanche Elite is equipped with the PowerClean™ Flush System for stronger flushes, more carry through the waste line, and a cleaner bowl.

FEATURES:

- ADA ErgoHeight elongated and ADA round front bowl configuration options
- Simple concealed trapway for ease of cleaning and installation
- Installs as quickly as a two-piece toilet - does not interfere with water supply or baseboard during installation like fully concealed toilets
- PowerClean flush system provides exceptional power (1000g Map Score) to prevent clogs inside and beyond the bowl
- PowerClean also delivers superior bowl clean (99.9%) to prevent double-flushing
- Extra large footprint covers any damaged or dirty flooring for quick replacement

WS-20-828
