

GERBER®

viper®

0.8 gpf Ultra High-Efficiency Toilet

Set-It-and-Forget-It Performance

- MaP Score of 800 grams
- Drain Line Carry of 44 ft

Polished Chrome top-mounted flush actuator

Exclusive, secure 6-point mounting system for leak-free peace of mind

Unique rim jet design for full rinse coverage

Large 54 sq in water surface keeps bowl clean

Trusted Fluidmaster® 400A fill valve

Tall, narrow tank increases flush speed

Quick action 3" tower flush valve

Dual, high-strength polymer wing nuts for easy, tool-free installation

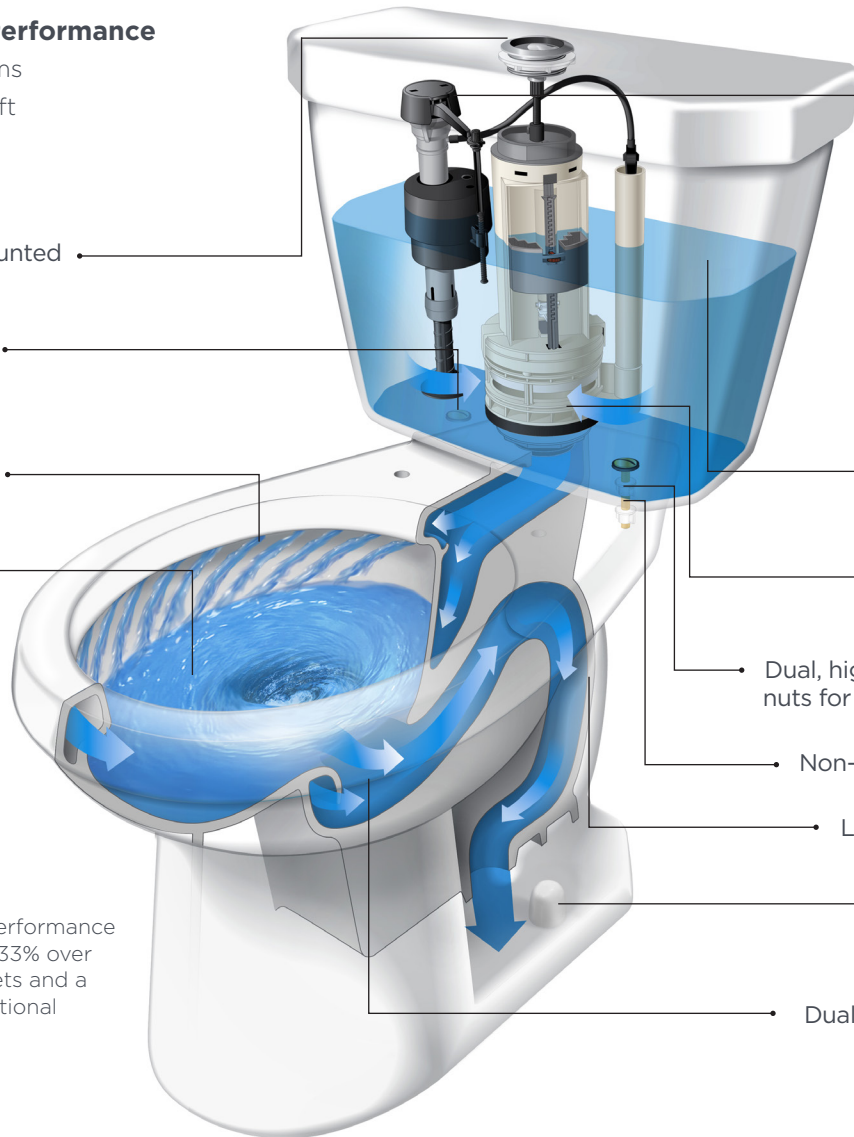

Non-corrosive brass tank bolts

Large, fully glazed trapway

Taller bolt caps - the professional's choice

Dual-fed siphon jet maximizes speed and power of flush

Large footprint of 20 1/2" x 9 3/4" - ideal for replacements

Exceeds all WaterSense® performance requirements while saving 33% over regular high-efficiency toilets and a whopping 50% over the national standard of 1.6 gpf

0.8 GPF (3.0 LPF), White
