

## Plastic (ABS) with Chain

### Description

Plastic hose valve caps are intended to be used in place of brass or bronze caps. Because of the plastic materials low scrap value, theft and vandalism are significantly reduced. Both size caps feature rocker lug design and are provided with an attaching chain.

### Installation

INTENDED ONLY FOR USE WITH NST THREADS. Make sure valve threads are free from debris. Thread correct size cap onto the valve until tight. Attach chain to the valve body at the point provided by the valve manufacturer.

**CAUTION: PLASTIC HOSE VALVE CAPS ARE FOR PROTECTION OF THE MALE THREAD ONLY. DO NOT PRESSURIZE PLASTIC HOSE VALVE CAPS. SERIOUS BODILY INJURY CAN OCCUR.**
