

CAST IRON BOILERS

## Limited Warranty

PurePro®

# Trio Commercial Cast Iron Water Boilers

**First Year Through Tenth Year** – Warranty for Trio Series Commercial Hot water boilers: Boyertown Furnace warrants that its cast iron boiler and casing are free from defects in material and workmanship for ten (10) years from the date of installation at the original installation site to the original owner. If the boiler is found to be defective within this period, Boyertown Furnace will replace the boiler block or casting.

**Eleventh through twentieth year** – Warranty for the cast iron boiler blocks of the Trio Series Commercial Boilers: Boyertown Furnace warrants that the cast iron sections of the Trio boilers are free from defects in material and workmanship for the life of the original owner. If the Trio series boiler is then found to be defective, Boyertown Furnace will replace the defective section of the cast iron boiler block.

This warranty is subject to the condition that a heating contractor whose principal occupation is the sales and installation of the heating equipment must have installed the boiler. In addition the boiler must be installed in accordance with the boiler manual supplied by Boyertown Furnace with every boiler. Parts, which are covered, consist of materials supplied by Boyertown Furnace. Other parts supplied in the trim kit or in the burner box carry their own manufacturer's warranty and each manufacturer has responsibility for their own products.

NOTE: Any part, which is replaced under warranty, carries only the unexpired portion of the original warranty.

**Note: If the heat exchanger involved is no longer available due to product obsolescence or redesign, the value used to establish the retail price will be the published price as set forth in Boyertown Furnace Parts pricing where the heat exchanger last appeared or the current retail price of the then nearest equivalent heat exchanger, whichever is greater.**

### Owner responsibility

1. Provide for proper installation, which includes pressure relief and pressure reducing valves and high limit safety controls on closed systems.
2. Provide qualified periodic service to prolong proper operation and service.
3. Insure that the boiler is installed with approved burner and that installation conforms to all codes and ordinances.
4. This warranty does not apply to boilers, which are subject to misuse, abuse, neglect, alterations, accident, excessive temperature, freezing, excessive pressure or corrosive water or atmosphere.
5. Owner will be responsible for return of faulty components to Boyertown Pa. freight pre-paid.

### Boyertown Furnace will not be responsible for:

1. Components Manufactured by others: Components that are part of the heating system but were not manufactured by Boyertown Furnace as part of the Commercial boiler system will be subject to the manufacturer's warranty if any.
2. The workmanship of the installers of the Trio Commercial Boiler. Furthermore this warranty does

not assume any liability of unsatisfactory performance caused by improper installation.

3. Any cost for labor to remove or replace the faulty component.
4. Improper burner application or adjustments, control settings, care or maintenance.
5. Any boiler that is used or operated over its rated capacity or with insufficient water, is operated in flood conditions or is operated with water or fuel additives that cause deposits or corrosion.
6. Any boiler that is operated with non-approved anti-freeze agents.
7. Any damage associated with the corrosion or leakage due to the use of "Non Oxygen Barrier" plastic pipe in the heating system.
8. Any installation where the boiler is connected to any under floor radiant heating system that allows oxygen penetration of the system.
9. Any damage to the boiler and/ or property due to installation or operation of the boiler that is not in accordance with the boiler installation and operating instruction manual.
10. Any damage or failure of the boiler resulting from hard water, scale buildup or corrosion of the heat exchanger.

THIS WARRANTY DOES NOT EXTEND TO ANYONE EXCEPT THE FIRST PURCHASER AT RETAIL AND ONLY WHEN THE BOILER IS IN THE ORIGINAL INSTALLATION SITE. IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY SHALL BE LIMITED TO THE DURATION OF THE EXPRESSED WARRANTY. BOYERTOWN FURNACE EXPRESSLY DISCLAIMS AND EXCLUDES ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR BREACH OF ANY EXPRESSED OR IMPLIED WARRANTY.

**THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.**

For prompt warranty service, notify the installer, who, in turn will notify the distributor from whom he purchased the boiler. If this does not result in corrective action, contact Boyertown Furnace Company with details in support of the warranty claim. All claims must be processed through proper trade channels.
