

PurePro Deluxe Sweat Boiler Trim Kit with easy-to-carry box.

Time and time again, busy contractors tell us that the perfectly matched components of PurePro® Boiler Trim Kits reflect the exact choice of quality parts they would pick for themselves if they had the time.

Other kits will give you almost everything you need for a basic installation. PurePro gives you all the finest brand components you need for a complete quality installation every time.

PurePro Boiler Trim Kits are the only trim packages offering a mix of components from leading manufacturers in a single, easy-to-carry box. PurePro even includes the nipples.
